

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

## Backbone Bourbon Prime

100% Estate-grown, hand-selected and mature blue agave farmed in crop-rotating fields at 5,500 ft. Low-pressure steam cooked.

Backbone Bourbon Prime is a throwback to the original Backbone Uncut. This is a Blended Bourbon of both 6 and 2 year Bourbons blended with some young Rye and some 8 yr old Corn Whiskey. It is proofed down to 104 which still allows it to stand out in a cocktail. It's also strong enough and complex enough to enjoy neat or with a little water.
