TEQUILA

BAD HOMBRES TEQUILA

Crafted from 100% Blue Weber agave, Bad Hombres Tequila delivers bold character and exceptional smoothness across both expressions. The Blanco offers fresh notes of cooked agave, bright citrus, and light pepper with a crisp, clean finish, while the Reposado, rested in oak barrels, develops rich layers of vanilla, caramel, toasted oak, and warm baking spice. Whether enjoyed neat or in premium cocktails, Bad Hombres embodies authentic craftsmanship, refined flavor, and a modern spirit for those who appreciate tequila with confidence and character.
