AMERICAN VATTED MALT

This bottling is a blend of exclusively American single malt whiskeys. We partnered with small and large producers across the country to select whiskeys that express the full diversity of American terroir and style. The resulting blend is remarkable, and we are proud to be the first to showcase the growing category of American single malt in this way. Classic malt whisky flavors evoking fresh meadows and ripe fruits are given an American twist with a bolder oak presence providing sweetness and spice. Hardwood smoke gently builds with each sip.
