BITTERMILK NO.8

MARGARITA ROSATO WITH ITALIAN BLOOD ORANGE

NON-ALCOHOLIC COCKTAIL APERITIVO

PERFECT BALANCE OF TART, BITTER AND SWEET

Kick off rosé season with a riff on the most popular warm-weather cocktail. Bittermilk Margarita Rosato is a non-alcoholic mixer that honors the proportions of a margarita, but is built with Italian blood orange and lime with subtle hints of gentian, rhubarb and orange peel, reminiscent of a classic Italian Aperitivo.

Bittermilk Margarita Rosato mixes beautifully with tequila, however it truly shines when mixed simply as a non-alcoholic spritz with soda water and ice. A complex, satisfying non-alcoholic cocktail has never been so simple to make.
