BUNRATTY

IRISH WHISKEY™

Classic style labels with well-appointed features highlight Bunratty Irish Whiskey's Premium Blend.

A raised varnish will be applied on the brand names 'BUNRATTY & 'IRISH WHISKEY' This will also be present around the outer edge of the Bunratty Castle seal, highlighting its significance.

The castle seal features the initials "OD" and "NLR" to honor the founding team of Bunratty Fine Products; Oliver Dillon and Nancy Larkin Rau

The castle image itself is finished and presented with its own eye catching, gold foil.

On both the front and back labels, a Celtic pattern background will be pressed and embossed with its own plate. The effect will bring continuity to the entire package design.
