

# Buzzard's ROOST<sup>®</sup>

DOUBLE OAK  
*sipping whiskeys*

## BARREL STRENGTH

### OVERVIEW

New lightly charred oak barrels matured this whiskey after years of aging in the original casks. The proprietary barrels impart rich color and robust flavor to this barrel strength bourbon.

### PROCESS

We begin with 4-Year-Old MGP Bourbon, then rebarrel it into our proprietary new toasted American oak barrels with a light Char #1 finish.

### TASTING NOTES

The palate brings sweet caramel, spiced nuts, cocoa, and orange zest. A long, warm finish with notes of oak and toffee.

### WHY BARREL STRENGTH BOURBON?

For accounts that cater to bourbon connoisseurs, this is your knockout pour. Buzzard's Roost Barrel Strength Bourbon offers depth, heat, and award-winning barrel craft in one bold release. Built to impress.
