

7 GENERATIONS TEQUILA PRODUCERS

TEQUILA CARRERA™

Tequila Carrera has been dedicated to the manufacture of tequila for over 15 years, constantly striving to be world class tequila company, always putting out commitment to the quality of our products and safety first. The distilleria who produces the Carrera tequila is Fabrica de Tequila El Eden" which has been making tequila since 1938. We grow all of our agaves 6-8 years to maturity in Los Altos, Jalisco and cook them in a stone/brick oven. All of our tequilas go through a double distillation process through pot stills.

- Mauricio and Eduardo (Lalo) Camarena own this brand and have a long history of tequila making in the family (Mauricio is the previous owner of Camarena tequila)
- Traditional style of tequila making from the highlands
- Confirmed additive free certification
- High quality tequila with repo and anejo aged in Virgin American Oak Barrels
- Beautiful packaging for shelf appeal
