CASTA PASIÓN

Clear Worm Reposado

The bottle is crafted in Mexico, requiring 8 workers 15 minutes to fabricate a single, worm-shaped bottle. Each is hand-numbered and signed.

The Reposado is aged just short of a year in new white oak casks. The fresh barrels imbue the tequila with a pronounced woody, oaky character, as well as a palate rich with the flavors of sweet spice, citrus fruit and ground black pepper.
