

2000 Vintage Armagnac

The oldest family owned estate producing Armagnac in France since 1711.

Aroma: very intense and rich, subtle aromas of wild flowers with a hint of lemongrass, gingery character, nuts notes.

Taste: complex and very expressive with crème brûlée alongside a distinctive and elegant oakiness. Large array of aromas, pecan nuts, maple syrup, orange marmalade, dates and warm coriander seeds. Extremely mellow to the palate, plenty of oak still, but it sits well within the whole. Lovely long finish.
