Pennsylvania Rye Whiskey

Crisp. Smooth. Delicious – not lingering or heavy-handed on its finish. Perfect for every occasion.

A very smooth whiskey that delivers that up front spice that rye is known for, while finishing with a full and round mouth feel. Floral and spicy on the nose with a well-balanced mouth feel and flavor – up-front and back-end spice, cinnamon on the mid-palate. Underlying notes of dried fruit and black cherry with hints of tobacco, vanilla and oak.
