# DEADWOOD

# DEADWOOD

## Deadwood Bourbon

*In 1874, Gold was discovered in the Black Hills of South Dakota giving rise to the lawless town of Deadwood, whiskey was a big part of their lives.*

Bottled in small batches. Light amber in color with aromas of sweet corn, grains, and light oak. Sweet and spicy on the palate with notes of fruit, honey, pepper, and smoke. Full bodied and finishes with lots of spice.
