

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

DOLIN

Vermouth de Chambéry Blanc, Dry, & Rouge

Dolin Vermouth de Chambéry is made of fine wines and botanicals found in the Alpine meadows above Chambéry. Together they impart a fresh and elegant nose, with a subtle and complex palate. Ideal as an aperitif or in cocktails.

TASTING NOTES: Dolin Vermouths are notably lighter, drier and less pungent than their larger commercial counterparts. The particular mixture of plants found near Chambéry give a fresh, restrained and elegant nose, with a subtle, complex bittersweet palate.
