FRANK AUGUST

small batch kentucky straight bourbon whiskey

Frank August is a modern expression of what bourbon is, what it can represent. We believe bourbon has a more expansive story to still tell, one for all of us, because it will be told by all of us.

So join us, as Frank August is a call to be open and undisguised. An invitation to come together and share in America's Spirit. Be Frank.

FRANK AUGUST

TASTING NOTES:

APPEARANCE: A rich auburn with full legs that beautifully coats the glass.

NOSE: Frank August's Small Batch Kentucky Straight Bourbon opens with hints of caramel and vanilla that are balanced with warm oak and mild baking spices which warm the senses.

PALATE: Echoes those initial sweet caramel and vanilla notes on the front of your tongue, with cinnamon and rye bread spices coming forward, as it gradually transitions to the back of your tongue. At 100 proof, it is a perfect balance of heat and smoothness that warms your mouth, while hints of brown and malt sugars begin to present themselves.

FINISH: As flavors of vanilla, oak and baking spices transition through all senses, it leaves a medium – long finish, wanting you to pour another glass.
