FASSBIND LES EAUX-DE-VIE

RIGI KIRSCH

CHERRY

Everything started in 1846 with the famous Rigi Kirsch. Our oldest and most traditional noble brandy is distilled according to the original recipe of the house of Fassbind and proudly bears the protected indication of origin AOP, «Appellation d'Origine Protégée».

The cherries from the region of the Rigi ("the queen of the mountains") are selected according to strict quality criteria and are distilled twice with great dedication and care by our master distiller after the fermentation process has been completed. The cherry brandy then rests in stainless steel tanks in our historic cellar vaults for at least two years before being bottled.

TASTING NOTES

Color Crystal Clear.

Nose Fresh, ripe and balanced notes of fruit with sweet almond tones, delicate and lively, with a scent of cherry jam and a hint of dark chocolate mousse, followed by white pepper.

Palate Juicy cherries, accompanied by marzipan, very harmonious, aromatic and elegant, delicate and delicious.

Finish Long lasting, wonderfully balanced.
