

GRUVEN

Gruven Polish Vodka is a premium spirit meticulously crafted in Poland, adhering to traditional distillation methods to ensure exceptional quality and taste. The brand offers two primary expressions:

GRUVEN PREMIUM SMALL BATCH POLISH VODKA

- **Ingredients:** This vodka is handcrafted using the finest grains of wheat and rye, combined with crystal-clear spring water.
- **Distillation and Filtration:** It undergoes quadruple distillation and a multi-step filtration process, resulting in a clean, crisp, and incredibly smooth vodka.

GRUVEN PREMIUM SMALL BATCH POLISH POTATO VODKA

- **Ingredients:** This expression is crafted using the finest locally sourced potatoes from Poland, along with crystal-clear spring water.
- **Distillation and Filtration:** Similar to its grain counterpart, it undergoes quadruple distillation and a multi-step filtration process to achieve maximum smoothness and taste.

PREMIUM POLISH VODKA

This recipe was carefully handcrafted in traditional pot stills. The finest grains – wheat and rye – and crystal clear spring water are used to bring you this clean crisp vodka. Quadruple distillation and a multi-step filtration process create the highest level of smoothness and incredible taste. Great on the rocks, or in your favorite cocktail.
