

HAND BARREL

# KENTUCKY SMALL BATCH BOURBON

Hand Barrel's Special Operations Warrior Foundation (S.O.W.F) Custom Series bourbon is composed of two distinct mash bills: a traditional high rye 64/24/12 blended with Bardstown Bourbon Company's high corn 78/10/12. These two distinct recipes forge a beautifully crafted Kentucky Straight Bourbon Whiskey. Vibrant vanilla oak gives way to a mouth warming cinnamon- clove spice that delights the palate.
