

## KULEANA RUM WORKS

“Gold color. Aromas of caramel, cinnamon-sugar toast, marzipan, and vanilla with a round, vibrant, dry-yet-fruity medium body and a warming, complex, medium-long olorosso sherry, peppered cured meats, dried mango, and clove finish. A distinctive aged rum that is elevated once hitting the mid-palate with a meaty, sherry-like note; **highly recommended.**”
