

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

American Small Batch Gin

*Hand bottled, hand labeled and hand numbered.
A rounded, clean finish that is unlike any other
gin in the world.*

We place each individual botanical in the still and distilling them off separately. We carefully make the cuts like you would for whiskey: heads, hearts and tails. We apply this method for all the of our botanicals: Juniper, Orris Root, Cardamon, Coriander and hand-zested Valencia Oranges and Pummelos, carefully extracting the best aromas that these botanicals have to offer.
