

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

Absinthe Verte

Made with imported Chilean Pisco placed in our small 150 liter copper potstill.

We carefully add the traditional Absinthe Verte herbs: Anise, Grande Wormwood, and Sweet Fennel, together with a number of proprietary botanicals. Ours is colored in the most traditional manner by placing our hand selected coloring herbs (Hyssop, Melissa and Roman Wormwood) in cheesecloth and steeping the blend in warm Absinthe Verte.
