

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

Georgia Peach Whiskey

Every aspect of the distilling process is done by hand with painstaking detail.

Beginning with the early June harvest, we destone, juice and blend only the most aromatic varieties of Freestone and Clingstone Georgia Peaches in preparation of this refined American Whiskey. The intense and unique flavors that come only from Georgia Peaches marry perfectly with the subtle oak, vanilla, and raisin finish of our whiskey.
