Lindisfarne Meade

Lindisfarne Meade

Lindisfarne Mead is a unique alcoholic fortified wine manufactured on the Holy Island of Lindisfarne off the Northumberland coast.

Lindisfarne Mead is a unique alcoholic fortified wine manufactured on the Holy Island of Lindisfarne off the Northumberland coast.

The honey which is used in the production of Lindisfarne Mead is drawn from the four corners of the world and here on the island, it is vatted with fermented grape juice, honey, herbs and pure natural water of an artesian well and fortified with fine spirits to produce this unique drink.
