CAMPBELTOWN Longrow PEATED MALT

## 18 Yr Single Malt Whisky

The barley is entirely peat dried, giving the whisky a wonderful smoky, peaty character.

Nose: A very complex nose on this one. Sweet fruits; citrus, peaches and orange zest at first, with a gentle, peaty earthy aroma reminiscent of dunnage warehouses.

Palate: Rich and very, very tasty. Great balance. Dark chocolate, creamy coffee and gingerbread to the fore, followed by rhubarb and vanilla custard.

Finish: Long and sweet, a hint of typical Longrow peat smoke combined with more chocolate and dried fruits.

Cask Type: 100% Sherry
