Mathilde
LIQUEUR

MATHILDE CASSIS
LIQUEUR DE FRANCE

ABV : 16%
FRUIT VARIETIES : 2 types of cassis (blackcurrants)
Noir de Bourgogne Burgundy
Royal de Naples Loire Valley

MAKING PROCESS :
Noir de Bourgogne berries are choosen for their excellent aromatic qualities, considered as the tastiest blackcurrants to eat. *Royal de Naples, those,* offer a soft and sweet flavor. A long infusion period ensures a perfect balance between the alcohol and the fruit. At the end, water and sugar are slowly added to finish the production.

TASTING NOTES :
A great balance from concentration to integration.
