MAISON FERRAND

Mathilde
LIQUEUR

MATHILDE FRAMBOISE
LIQUEUR DE FRANCE

ABV : 18%
FRUIT VARIETIES : 3 types of framboise (raspberry)
Rose de Plombières, Burgundy
Violette de Boux, Burgundy
Lloyd George, Scotland

MAKING PROCESS :
The berries are pressed into a puree and are then added to the alcohol base for maceration. The *Lloyd George* raspberries are used primarily for their bright color, while the intense aromatics mainly come from the berries from *Burgundy*.

TASTING NOTES :
The blend of the three varieties produces an exquisite complexity. A rich and delicate liqueur.
