

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

McKenzie Bourbon Whiskey

A very rich bourbon with just enough rye spice to complement that subtle sweetness.

Color: Dark chestnut

Nose: Young, raw wood and licorice. Corn and floral notes – mostly honeysuckle – plus caramel, apple and a bit of spice.

Taste: Apples and pears, strong vanilla and caramel. Nutmeg and allspice. A nice mouthfeel with very little heat.

Finish: Slightly minty and slightly bitter. Oak tannins give a nice dry start, but the sweeter sides of the whiskey come through and ride the flavor out for a reasonably long time, leading to a pear, caramel and vanilla close.
