

NEVER SAY DIE RYE WHISKEY

Made using a proprietary “sweet mash” that results in a smoother, more flavorful whiskey. This, along with generous use of corn in the mash bill, reminds the drinker of their favorite Kentucky Bourbon, but with the unmistakable flavor, spice and intrigue of a rye whiskey.

TASTING NOTES

A well-balanced and rounded profile that offers punchy spices and buttery richness layered with top notes of citrus and green herbs.

MASH BILL	ABV	Barrels
56% rye, 33 % corn, 11% malted barley	52.5%	American Oak Char Level #4
