## BARRELL NEW YEAR 2024

Our 2024 edition of New Year Bourbon contains the largest selection of states and bourbons in a single release that we have created this year and celebrates some of the most exciting bourbon being distilled across the US. New Year 2024 is bright and rich on the nose with a bouquet of fresh and baked fruit followed by syrupy desserts. On the palate, the freshness evolves to a silky concentration of baked goods and dark chocolate. A touch of water enhances the cinnamon, creating notes of snickerdoodle and stroopwafel along with caramelized fruit.
