

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

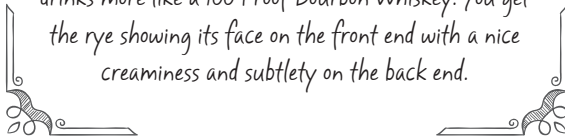

Noah's Mill Bourbon Whiskey

Handmade in the Hills of Kentucky.

Ranked #1 out of 13 Bourbons -
Louisville Magazine's "Eats" issue.

Surprisingly elegant at 114.3 Proof, which is perhaps odd to say about a whiskey at near-barrel strength, but it drinks more like a 100 Proof Bourbon Whiskey. You get the rye showing its face on the front end with a nice creaminess and subtlety on the back end.
