

Old Bardstown 90 Proof
Kentucky Straight Bourbon Whiskey
is distilled, aged and bottled at Willett Distillery
in Bardstown, Kentucky.

grains

Kentucky-grown corn from Nelson County, KY;
Rye and Barley from North Dakota and Canada

water

spring-fed water from the Willett property

distillation

The first distillation occurred on the 60-foot tall
column still, with the second distillation
occurring on the copper pot still.

barrel entry proof

125 proof (62.5% alc./vol.)

cooperage

The barrels are 53 gallon, American White Oak
with a level 4 char.

maturation

These Bourbon Whiskey barrels were aged in a
metal-clad rickhouse on the Willett property.

bottling

The Bourbon Whiskey that was used in the
bottling of Old Bardstown 90 Proof is an old
Willett family recipe that goes back
several generations.

bottle proof

90 proof (45% alc./vol.)
