

GIN

Production & Tasting Notes:

Cascading aromatics of citrus and rose petal on the nose bloom into the subtle scent of juniper berry. Silky and light bodies on the palate, our gin's velvet mouthfeel is a lush backdrop for a lively coriander and smoky black cardamom. The base spirit of OOLA Vodka leaves a long, finely-textured finish with notes of caramel and vanilla.

ACCOLADES:

"I'd say OOLA is one of the **BEST GINS IN THE WORLD.**

The **caramel undertones** and **juniper nuance** are incredible."

Jon Rimmerman, **GQ**

"Really unbelievable tasting gin.

One of the best in the world."

2011 MicroLiquor Spirit Awards

Highly Recommended

"A very nice combination of grain, fruit and herbal medicinal notes will make for interesting cocktails."

Beverage Testing Institute, April 2015
