

PUMA

The **MAGUEY PUMA**, a unique wild agave in nature that finds its home in the arid grasslands of Rancho El Rocillo Durango, in the Chihuahuan Desert ecoregion, rich in diversity of endemic flora and fauna, is a true marvel. This resilience is forged by the grassland's harsh beauty, where it absorbs the distinct character of its surroundings, contributing to its rare and complex profile.

It is an unparalleled honor to share this unique **SPRIT** with you. This spirit, distilled from meticulously selected maguey puma, represents an artisanal tradition, a testament to the dedication invested in each bottle.

Its singular character and unyielding strength are a manifestation of its **NATURAL ESSENCE**. Born from the rugged terrain and extreme climate, the agave puma yields a mezcal with intense notes and a profound, lasting finish, reflecting its origin.

We invite you to immerse yourself in the **COMPLEXITY** of each sip, savoring the richness and authenticity of this exceptional elixir. Allow the unique flavors to reveal the soul of the Chihuahuan Desert, experiencing the true essence of this meticulously crafted mezcal. Dixeebe!
