AROMATIC PROFILE

PALE GOLD COLOUR

Characterized by notes of fresh malt, white-fleshed fruits (peach and pear), nuts and delicate wood.

First, we taste aromas of sweet almonds and flax seeds, emphasised then by flavours of linden, vanilla and dry fruits. Natural sweetness. Freshness and smoothness fill the palate.

The Golden Promise offers to our whole single malts this sweet and characteristic silky feeling.

"A single malt for amateurs that ables the novices to get access to the secrets of malt."
