CASK FINISH SERIES: P.X. SHERRY

Pedro Ximénez, often abbreviated as P.X., is a dessert wine from Spain, renowned for its rich, intense sweetness. P.X. wines typically feature notes of dried fruits, velvety chocolate, and toffee. In crafting a harmonious counterpart, the BCS team meticulously blended select straight bourbon whiskeys to enhance and complement the sumptuous flavor derived from the P.X. barrels. The result is a rich, full-bodied bourbon with layers of toasted coffee, golden honey, and candied fruit, offering a sophisticated balance of depth and sweetness.
