### AROMATIC PROFILE

### PALE GOLD COLOUR

Lightly smoked, with notes of undergrowth, laurel and fresh cereals. The woody taste is grilled and roasted.

The peat is more expressive and incorporates aromas of pepper, grapefruit and cardamom. The finish is full of finesse, on flavours of praline, exotic fruits and vine peach.

Finesse and a veil of peat. Complex and persistent length.

The Golden Promise offers to our whole single malts this sweet and characteristic silky feeling.

*"A whisky to initiate the neophyte in the peaty dimension while presenting a subtle style to the connoisseurs."*
