

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

Añejo

Made in small 500 liter batches. The color, aromas and taste come directly from the process of aging our blanco tequila in used bourbon barrels for 18 months.

We only produce tequila using agaves from the highlands for their sugar content and superior quality. Each of these agaves are hand selected and hand harvested.

Delicate, interesting aromas of dried fruits, full body and an elegant finish that presents spiced cherry, vanilla and a subtle pepper finish.
