

SINGLE ESTATE WHISKY

Located in the **north east of France**, the Rozelieures distillery, managed by **Christophe Dupic**, is one of the **few distilleries in the world to control the entire production process**. From grains, to malting, brewing, distillation and aging, **everything is done in-house**, including **energy autonomy** thanks to the methanization unit. We are now the **leader** in the French single malt market.

Barley harvested on our lands

Malting & peating in our malthouse in the Vosges mountains

Brewing at Rozelieures

Fermentation at Rozelieures

Distillation at Rozelieures

Ageing in our 6 warehouses in France

Bottling at Rozelieures

RARE COLLECTION

70cl - 40% alc. by vol. 6 ppm

This special single malt is derived from four cask types artistically selected by our Master Blender. This combines the flavors of tropical fruit and toasted baking spices from select French Sauternes Casks, sweet and spicy Sherry Casks, vanilla from ex Bourbon Casks and the rancio from ex Cognac Casks. The cask combination along with the hint of peat creates a luscious and complex whisky that will linger on the palate.

Smoothness

Richness

Fruity

Floral/Vegetal

Peaty

Spicy

• Bourbon
• Cognac
• Sherry
• Sauternes

Nose

- Very flattering on the fruits of the orchard and the honey. In a second time, it is the candied orange and the walnut which distinguish themselves.

Palate

- Still a generous note of candied fruits, with a licorice touch. The malted and toasted notes provide a great richness.

Finish

Long on red fruits (blackberry, blackcurrant) with a touch of smoke and toasted notes.
