WHAT MAKES THIS LIMITED EDITION TRULY UNIQUE

Each bottle of Etsu Pacific Ocean Taste Limited Edition is a true work of art, blending design and Japanese craftsmanship. Inside, a hand-blown glass sculpture of a koi fish – a symbol of perseverance and prosperity in Japanese culture – emerges through the crystal-clear gin. Its fluid silhouette, dyed in a deep ocean blue, evokes the vastness of the sea and reinforces the unique character of this edition. Individually crafted by skilled glass artisans, each koi fish is unique, making every bottle a collector's piece. Visible from every angle, it embodies the connection between tradition and modernity, transforming Etsu Pacific Ocean Taste into an extraordinary visual and sensory experience.
