

KĀSTRĀ ELIŌN VODKA

MADE IN GREECE ✦ PERFECTING MARTINIS EVERYWHERE

Family-owned and artisan-crafted in Greece, Kāstra Elión is the original Premium Sipping Vodka distilled from Greek olives picked by hand, then blended with curated grains and natural spring water from crystalline rock to produce a vodka of unparalleled smoothness and timeless sophistication.

Named after the ancient castle that stands guard over the hills and olive groves of Nafpaktos, Kāstra Elión combines tradition, innovation and a love for the flavors and heritage of the Mediterranean.

"It's great for sipping, on the rocks, or chilled for the perfect martini"

"Elegant sipping with a modicum of richness. Don't skip the olives in a martini; the taste delivers but a wiff of the flavoring."

"Kāstra Elión crafts vodka from Greek olives, making it perfect vodka for, say, a dirty martini?"
