

SINGLE ESTATE WHISKY

Located in the **north east of France**, the Rozelieures distillery, managed by **Christophe Dupic**, is one of the **few distilleries in the world to control the entire production process**. From grains, to malting, brewing, distillation and aging, **everything is done in-house**, including **energy autonomy** thanks to the methanization unit. We are now the **leader** in the French single malt market.

SHERRY COLLECTION

70cl - 46% alc. by vol. 35ppm

This single malt is aged full term in freshly toasted Fino, Oloroso and Pedro Ximenez Sherry Casks. The malts are slightly peated and the marriage of the whisky and barrel regime delivers a spicy and smokey dram, highly aromatic with an extra long finish.
