THE **SHOT TOWER SKELETON SPIRIT** IS AN ADVENTUROUS, CONTEMPORARY BOTANICAL GIN. A FAR DEPARTURE FROM THE HISTORICALLY GROUNDED SHOT TOWER GIN, THE SKELETON SPIRIT IS DEFINED BY NON-TRADITIONAL BOTANICALS. **EUCALYPTUS** CREATES RADICALLY HERBACEOUS AROMATICS. **ALOE VERA** SENDS A SWEET ROUNDNESS TO THE PALATE. A **WILDLY COMPLEX SPICE PROFILE** LINGERS ON THE FINISH. THE GHOSTLY SPIRIT IS **BLUE HUED**, STANDING OUT BOTH ON THE SHELF AND IN DRINKS. TRULY A GIN FOR THE WORLD'S MOST ADVENTUROUS GIN DRINKERS.
