

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

## SOTOL LA HIGUERA

### *Cedrosanum*

*A spirit that is rooted in tradition for the desert regions of Northern Mexico.*

Made from the wild agave known as "Desert Spoon," that is crushed by axe, fermented with wild yeast, and finished by a double distillation in copper alembic stills. The results are aromas of mineral and caramel with smoked grass and cedar on the palate. The finish is dry and the texture has a near perfect balance.
