

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

SOTOL LA HIGUERA

Wheeleri

A spirit that is rooted in tradition for the desert regions of Northern Mexico.

Made from the wild agave known as "Desert Spoon," that is crushed by axe, fermented with wild yeast, and finished by a double distillation in copper alembic stills. The result is a rounded balance of smoked herbs and fruit. The palate rounds out with more herbs and hints of pineapple.
