

PROPERTY OF PACIFIC EDGE IMPORTS, AGOURA HILLS, CA

White Rum

Drawing from the heart of the Louisiana Delta, where our alluvial topsoil beds can reach fifteen feet in depth. Each Three Roll Rum is a unique expression of Alma's rich terroir.

Fresh from the still, with a light body and full flavor, we bottled our white rum as it leaves the still, untouched by oak and unaltered by age. We never add sweeteners or additives. This bold and fragrant white rum shines in a daiquiri.
