

TRES BARRICAS

AÑEJO TEQUILA

Tres Barricas in Spanish means Three Barrels. This small batch 100% agave tequila is rested for a minimum of 12 months in three separate barrels; American Oak, Tawny Port, and Ruby Port casks. These anejo tequilas are then masterfully blended together to capture the rich agave flavor you would expect from the highlands of Jalisco, rounded with red fruit notes from the Port Cask, and luscious vanilla and toasted oak notes from the American Oak casks.

Tres Barricas First Edition is a limited release of 3,000 bottles.
