

VOLSTEAD VODKA

THE SPIRIT OF PROHIBITION. REIMAGINED.

Inspired by Andrew Volstead, the architect of Prohibition, who unintentionally ignited a cocktail revolution abroad. As American bartenders traveled to Europe, they encountered vodka—and transformed it into an avant-garde essential. Today, Volstead Vodka honors that legacy.

WHY VOLSTEAD?

- Crafted for Cocktails: Distilled to 84 proof, Volstead is built for bartenders—ideal in both shaken and stirred creations.
- Ultra-Pure Ingredients: Made with non-GMO neutral grain spirit, Cascade mountain water, and nothing else. Naturally gluten-free.
- Exceptional Filtration: Filtered through charred coconut husks for 96 hours, delivering a clean finish and smooth, creamy mouthfeel.
- Handmade in Portland, Oregon: A collaboration between our head distiller and in-house bartender, every bottle is crafted with intention and precision.
