

ASTI DOCG

Cocchi's ASTI is an undiscussed representative of the most popular sparkling aromatic wine in the world. Today, only small quantities of ASTI are produced by Giulio Cocchi through the fermentation – in steel vats – of the finest Moscato from the Asti hills.

Creamy and delicate to taste, with a very scented aroma, this is the classic party wine suitable for everybody, due to its natural character and low alcohol content. The colors of the flags of the medieval festival "Palio di Asti" are paraded in this bottle that Giulio Cocchi produces with now more than one-century old experience.

Grape Variety

100% white Moscato

Vinification and sparkling wine

All efforts are made in cellars in order to keep – and unveil even more – the fruity, delicate aroma of the grape. A very slow fermentation process takes place in steel vats at controlled temperature to get the very fine bubbles that are peculiar to Cocchi's Asti.

Tasting Notes

Asti Cocchi is a sweet sparkling wine with the immediate aromatic fragrance of Moscato grape, a rich and intense aroma with a fruity taste of wisteria, acacia and honey.

It features a well-balanced sweetness and a low alcohol content (7% Vol).

Ideal with desserts. It is a must with almond or hazelnut pastries.
