

INSPIRED BY OUR LOVE FOR THE PACIFIC NORTHWEST

Cascadia American Bitter Liqueur is our Pacific Northwest interpretation of traditional European herbal liqueurs inspired by flora found in the Cascade Mountain Range. This bittersweet liqueur is the first product of several years of experimenting with pure, natural, whole, culinary-quality ingredients.

- Handmade in small batches in Portland, Oregon
- Distilled infusion of rose petals, wild lavender and other carefully selected, whole dried botanicals finished with a gentle maceration of gentian and angelica root
- Sophisticated, layered, and aromatic with a delicate floral body and a long bittersweet finish
- Enjoy as a unique aperitif sipped neat or on ice. Add Cascadia American Bitter Liqueur to sparkling wine for an inspired spritz

70 Proof | 35% Alcohol by Volume | 750 ML
