

PORTLAND'S FAMOUS COFFEE ROASTING MEETS CRAFT SPIRITS.

Robust coffee flavors from a Water Avenue Coffee custom blend are extracted through a cold-brew method, then blended with our batch-distilled spirits and sweetened with organic cane sugar and agave nectar.

- **Rich and robust flavors with a real buzz.**
- **Specially selected bean blends, custom roasted for the taste of fresh-brewed coffee.**
- **Excellent for sipping straight or in traditional cocktails, like Spanish Coffee, White Russians, the Sailor's Cup or with bourbon and bitters.**
- **Silver Medal Award winner – Beverage Testing Institute.**
