

BIG MOUSTACHE TENNESSEE WHISKEY 100 PROOF LIMITED EDITION ◀

BIG MOUSTACHE : FORTUNE FAVORS THE BRAVE !

With our master distiller we have created a bold Tennessee Whiskey bottled at 100 proof. The first release of Big Moustache produced 580 cases from 14 hand selected barrels. The mash build is 80% corn, 10% rye and 10% malted barley. A long fermentation of 3 days makes our whiskey unique. The freshly distilled, unaged whiskey is filtered over sugar maple charcoal before going into new American oak barrels.
