

► BOCATHÉVA CARIBBEAN AGED RUMS

Building on BCC's expertise in the world of spirits we decided to create our own super premium rum. After spending two years traveling the Caribbean and South America and tasting more than 400 barrels we selected 20 barrels from 4 countries and the Bocatheva brand was born.

Our initial offering is a 3 year old blend from Barbados and Jamaica, 5 year old from Venezuela, 6 year old from Panama and 12 year old from Barbados. I hope you enjoy Bocatheva Rums !
